

# LaGrange County RC Club

## July 08 Newsletter

Heavy rain prevented a formal meeting. In its place we had just a roundtable discussion on several topics.

Old Business: None brought up.

New Business: Eric suggested that we all look for a good deal on a garden Tractor for the future. Our present one works but its active days might be limited. Comments were made in the good up keep of the field by those so far participating. Jim will be getting a new flag.

Editors Comments: None
