

# LaGrange County RC Club

## September 08 Newsletter

Dave opened the meeting at 7:00 in Eric's absence. Minutes were read by Jerry and were approved. Jim gave the treasurer's report. We have \$477.20 in the bank. Twelve members were present.

**Old Business:** The final discussion for the club cookout was settled. The following people have agreed to the following. Jim will bring soda pop, Vern a back up grill and Mike hot dogs and buns. Jerry to bring condiments, chips and macaroni salad. All other food by choice. Saturday the 13<sup>th</sup> with the 20<sup>th</sup> for a rain date. Jerry to notify if rain date is to be used by calling several members for their thoughts.

**New Business:** The mower needs some repair work. Jerry to call the manufacturer for a reason that we loose wheels and then fix prior to September 5<sup>th</sup>. We talked about the mowing of our larger field and the need for additional mowing equipment. All are to keep this in mind and announce any good bargains. We are looking for a 60 inch deck mower. New member Dan Finucane was introduced. Dan has been flying helicopters for many years and is now getting back into planes.

**Editors Comments:** The field is greening up and will need mowing prior to the cook out.
