

LaGrange County RC Club

December 08 Newsletter

Eric opened the meeting at 7:00. Minutes were read by Jerry and were approved. Jim gave the treasurer's report. We have \$477.20 in the bank. Report approved. Eight members were present.

Old Business: None

New Business: Dave Herr stated that he would bring in another load of fill dirt this spring before the frost goes out and the ground is clear. We can then level it and when the frost is out plant grass. We had a considerable discussion on the 2.4 radio gear. It was decided to leave the rules as is. That is to make no special provisions for their use. No pins will be required. Since our club is small and we know each other this is construed to be an advantage for those who use them. Jim started a discussion on winter skis and we discussed several methods for building them. Jerry stated that the new roster will be sent out prior to the January meeting.

Editors Comments: Next meeting is at 7:00 at the Community Building on January 12th.
