

# LaGrange County RC Club

## February 09 Newsletter

Eric opened the meeting at 7:00. Minutes were read by Jerry and were approved. Jim gave the treasurers report. \$567.20 in the bank. Report approved. 6 members present. Next meeting March 10 at the LaGrange Community Building.

**Old Business:** We talked about changing the meeting day to possibly Saturdays. It was decided to get more input from additional members and add it to the docket in the next couple of meetings.

**New Business:** Eric has assigned a special phone number for our club to address inquiries. It will be an automated system with replies to the individual calling directed to the Secretary. When this is completed the brochure handout for prospective members will contain this number. This number will also be added to the various AMA web sites. It was decided and passed to have a "Supportive membership" This classification will pay dues but does not have to belong to the AMA. He/she will have all club membership privileges but will not be allowed to fly. Several members brought their winter projects for show and tell ending a very informative meeting. Nominations for 2009 officers will be in March with new officer assumption in April.

**Editors Comments:** Great Show and Tell. Thanks to John, Eric, Jim, Mike and Jerry for bringing their projects.
