May 09 Business Newsletter

Vern opened the meeting in Dave's absence at 1:30. Minutes were read by Jerry and were approved. Treasurer's report given at approximately \$550. 11 members present. Next meeting June 13th at the Club Field at 1:00.

Old Business: The field mowing was discussed and many ideas were presented. The unanimous decision was to change the dues only for 2010 to \$25 and a special assessment of \$75 per member. All due by April 1, 2010 with the proceeds going for the purchase of a mower. Jim will keep an accounting record of those paying either in full or installments.

New Business: R.J. has invited all to his home for a float fly on August 1st with a rain date of August 8th. Bring a dish to pass. More on this later.

Editors Comments: A very nice turn out and a lot of good discussion on the field mowing. As I write this the field has been mowed, rolled and sprayed. Looking good!
