

LaGrange County RC Club

January 10 Business Newsletter

No Official business for December.....

New Business: Meeting could not be held. Jerry did not get the key for the building so we had an informal round table discussion at McDonald's. Jerry passed out sample introduction cards to be given to prospective members. Bill Boyd was introduced as a new member to those in attendance. Bill is from Hamilton Lake. February meeting will be held at the community building on February 10 at 7:00.

Old Business: No old business
