

LaGrange County RC Club

March 10 Business Newsletter

Meeting was opened and minutes and treasurers report approved. Eight members present.

New Business: Nominations for 2010 officers are as follows: President: Vern Ludy, Vice President, John Cline, Treasurer: Jim Reick, Secretary: Jerry Bystry, Safety Officer: Eric Hartman. Additions can be opened during the April meeting before the final vote. An inter club fly-in is proposed. Jerry to send out an area schedule so a non-interfering date can be chosen. Dues for Tommy will be forgiven for the extra work and expense he puts forward in keeping the field open during the winter months. Indoor flying was discussed with Eric stating he had a place in New Paris if a closer one to the LaGrange area can't be found for the winter. April meeting will be at the field at 7:00 the second Tuesday. May thru October will be the second Saturday of the month at 1:00.

Old Business: None

Editors Comments: I failed to record the Treasures report. I will email the amount when I check with Jim. Craig and Jerry gave a report on the FPV system and showed some videos.
