## September 11 Business Newsletter

Meeting was opened at 1:00. Vern presiding. Jim gave a treasurers report of \$1074.69. Jerry read the minutes and they were approved. 10 members

**New Business:** Shelter closing for the winter was discussed. Ideas to be presented during the October meeting. Discussed moving the new picnic tables inside for winter storage and the older ones to be placed under the shelter. Field maintenance was declared successful this season. Winter snow plowing was discussed and we will need a plan for the winter months. Again suggestions during the October meeting. Jerry stated that the lease has been renewed through July 12, 2012.

**Old Business:** None

**Editors Comments:** A lot of flying this year. Things running smoothly as evidenced by the lack of a large club business agenda.
