

# LaGrange County RC Club

## October 11 Business Newsletter

Meeting was opened at 1:00. Vern presiding. Jim gave a treasurers report of \$1074.69. Jerry read the minutes and they were approved. 10 members

**New Business:** Wind break for the shelter discussed. It was decided to use OSB plywood for the north and west sides. Jim and Vern will procure the materials. Ron will bring large zip ties. Various members will bring an assortment of tools. Work scheduled for the first Saturday in November. The new tables to be stored in the brown building and the outside tables brought under the shelter for the winter. There will be no November business meeting. Snow removal too was discussed and Vern will talk to Tommy to see if he is interested and get a price from him. December meeting will be on the 13th of December at the LaGrange Community Building.

**Old Business:** None
