

LaGrange County RC Club

May 12 Business Newsletter

Vern opened the meeting with 9 members present. Jerry read the minutes and they were approved. Jim also gave a Treasures report of \$1024.67

New Business: Sealing of the tables was discussed again and Vern said he will take care of it. Vern also stated that if we get several days of rain the field will be rolled. Supposedly the county will be grading the road. It was mentioned that the barricades need gluing and some new zip ties. No action taken.

Old Business: None

Editors Comments: True to our philosophy, we do more flying than anything else.
