

LaGrange County RC Club

August 12 Business Newsletter

Vern opened the meeting with 10 members present. Jerry read the minutes and they were approved. Jim also gave a Treasures report of \$1059.55

New Business: Jerry read a letter from the county commissioners. It stated due to a new state wide law we will no longer be leasing the landfill but will be licensed as a club for it's use. As Jerry stated nothing has changed for us with the exception that we will no longer need to individually sign a lease agreement.

Old Business: None

Editors Comments: True to our philosophy, we do more flying than anything else.
